

List of Clubs Affiliated to the BMC

Climbing, hill walking and mountaineering are the principle objectives of the clubs featured in the list. They are all based in and controlled by their own members. All club applications are submitted to the BMC National Council for approval.

Nine areas form the democratic base of the BMC, and serve as local forums for discussion and debate about mountaineering issues. The clubs are listed under the relevant area, but usually accept members from other areas. There is a small number of national clubs and these are listed separately. The contact for each club listed here will normally be able to supply you with details of their club membership requirements, activities, meeting places, etc.

The list was last updated on the date printed at the bottom of the following page.

Explanation of Categories:

B - Club accepts beginners and novices

A - Club meets at venues that have facilities that are accessible to those with physical disabilities

F - Club has a family membership category

Y - Club accepts applications from those under the age of 18

H - Club has a hut/s

London Rockhoppers MC

Main Club Contact - Ms Cummings

Website: www.rockhoppers.org.uk

We are a friendly medium-sized London-based club with male and female members from a wide age range, active in hill walking, scrambling, rock-climbing, & mountaineering with the odd foray into other activities such as mountain biking. New members of any standard always welcome - whether you are completely new to mountain sports or a seasoned mountain goat.

We organise meets every 2 weeks throughout the UK camping in summer and staying in huts in winter, with additional informally-arranged trips to both in the UK and abroad, and visits to the climbing wall. Our pub evenings are on the 1st and 3rd Tuesday of every month at the Devereux Pub, Devereux Court (off the Strand) in London from 7:30pm onwards, usually with a talk & slide show on the 3rd Tuesday. To find out more visit us at one of our pub evenings or see our website.

We are a national club, with male and female members from all over Britain. We organise a programme of meets throughout the year in areas such as the Lake District, Wales, the Peak District, Yorkshire Dales and Scotland. There is also an annual backpacking meet and may be an informal trip abroad in Summer to the Alps or to Spain in Winter. We stay in simple accommodation to keep the cost down, usually bunkhouses and other clubs' huts.

The Club is probably best described as a "hard walking club". Most members are not in the "super fit" category but we do have many strong hill walkers and many who enjoy scrambling. We are not the Ramblers!

Our Club prides itself on being very friendly and welcoming to new members. Unlike many clubs we cater together. In the evening there is always a vegetarian and non-veg option as well as starter and dessert. There's wine as well!

It would be great to see you on a meet! To find out more, see our Facebook page or visit our website where you can contact our Membership Secretary to join us.

Midland Association of Mountaineers Ltd

Main Club Contact - Mr Truscott

Website: www.themam.co.uk

The Midland Association of Mountaineers, MAM, is one of Britain's leading mountaineering clubs. Founded in 1922 it has grown from its historical links in the Midlands area into a national club with some 550 members across the UK.

Its membership includes mountaineers, rock climbers, snow and ice climbers and hill walkers, many of whom are also mountain bikers, fell runners or wild swimmers. Whatever their interests and level of expertise they are all share a passion for enjoying activities in the mountain environment.

MAM own 4 properties: Glan Dena in the Ogwen Valley, Snowdonia, Low House and Low Cottage in Coniston in the Lake District, and Star Cottage in Two Dales in the Peak District. These provide some of the best maintained, quality mountain hut facilities in the UK.

Members can stay at these huts and bring their guests. MAM also has reciprocal hut use arrangements with kindred clubs which gives MAM members access to a wide range of properties across the UK.

The MAM holds over 60 meets a year, mostly at its huts, but also elsewhere in the UK and abroad. If you would like to know more or join us on a meet, please contact the club officer most relevant to your enquiry via the contact details given on the club's website.

Clubs Affiliated to the BMC

Red Rope is a national walking and climbing club, with members in a dozen regions of the UK. The club has socialist, left-wing and alternative roots – and today's club is still organised with socialist and green ethics in mind.

We go country walking, hill-walking, rock-climbing, and mountaineering, plus the pub and the teashop of course. There is plenty to join in with, whether you want to really stretch yourself, or just gently explore the outdoors.

There are day events, socials, weekend and longer trips, getting close to wonderful places all over the UK. Recent trips have included winter walking in Scotland, kayaking on the Wye, the annual gathering in the Peaks, tea-shop walks in Shropshire, backpacking in Yorkshire, walks along the Chiltern Way and South Downs.

Beginners are very welcome. You can usually meet your local group at a social or on a walk. Then join the club from this website; <http://www.redrope.org.uk/>

The Fell and Rock Climbing Club of the English Lake District Limited

Main Club Contact - Mr Simcock

Website: www.frcc.co.uk

The FRCC, founded in 1906, is one of the major mountaineering clubs in the country. Its objectives are to encourage mountaineering and rock climbing particularly in the Lake District. Experience of and an interest in the Lake District mountains are among the requirements for membership. The Club has some of the leading UK climbers amongst its members and especially welcomes applications from active climbers and mountaineers over the age of 18 to continue its traditions of excellence. Members are involved in all types of mountain-related activities including rock, snow and ice climbing, mountain walking, back-packing, trekking, orienteering, fell running, skiing, mountain biking etc. The Club owns five properties in the Lake District and two in Scotland. There is an extensive programme of meets which occur almost every weekend based on our own or kindred club huts throughout the UK. Overseas meets are also organised several times per year in various parts of Europe.

The Club publishes the definitive climbing guidebooks of the English Lake District for summer and winter climbing. These can be purchased on-line via the Club website. An increasing number of climbs are being made available as Apps. A Club Journal is produced every two years and quarterly Chronicle is distributed to members. Members are also regularly kept informed by e-newsletters, the website and Facebook. Applicants are proposed and seconded for membership by Full members who have a good knowledge of the applicant. Election to the Club is via the Committee.

Clubs Affiliated to the BMC

The Rucksack Club was founded in Manchester in 1902 and with a current membership of over four hundred men and women has always attracted keen mountaineers who value the company of like-minded people in the hills. Members participate in a diverse range of outdoor activities, often at the cutting edge. We hold over 150 meets each year and mountaineering, climbing and hill walking are at the heart of these. The Club has three excellent and strategically placed huts, each with its own special character:

Beudy Mawr: at the heart of the Llanberis Pass, and a few minutes' walk from the Grochan and the Cromlech

High Moss: in the Duddon Valley at the foot of the Walna Scar track over to Coniston, and a great base for Dow & the Duddon.

Craigallan: looking out over Loch Linnhe within easy reach of Glencoe and the Ben.

The Club welcomes and encourages applications from enthusiastic men and women who can demonstrate sound experience of mountaineering and/or climbing and/or hill walking and a current active commitment to one or more of those activities. If you're interested to find out more and get to know us better, why not come along on one of our meets - maybe an evening at a local crag or a weekend in one of the huts? This is a great way of getting to know the Club and some of its Members.

Meanwhile you can immediately become an Associate Member, which provides the benefit of BMC membership (and importantly its third party liability insurance). Simply contact the Associate Members' Secretary at join@rucksackclub.org or download details from the website.

Founded in 1967, the Castle is a Sheffield-based mountaineering club, but we're not just about mountaineering. Our members undertake a wide range of activities including rock climbing, walking, trekking, backpacking, ski mountaineering, cycling, ski touring and mountain biking. What unites us is our love of the outdoors and enjoying it with others. We're a rather sociable and supportive bunch with a lot of combined experience. Many lifelong friendships have resulted from club membership.

New members are always welcome, whatever your level of experience.

We have a programme that covers 52 weeks of the year with weekly weekend local meets, and monthly hut or camping weekends. During the summer there is also weekday evening climbing in the Peak District. Generally summer meets tend towards rock climbing, winter meets towards hillwalking and winter mountaineering while weekends away are a free-for-all of various activities depending on location! We also arrange to meet through our messageboard. See our website for our current programme of activities.

The Castle has a club house behind the Rising Sun on Abbey Lane, Sheffield S11 9ND with its own indoor climbing wall. We meet on the first and third Thursday of the month from about 9:00 p.m. to discuss forthcoming meets, drink beer and have a chat. During the winter we hold regular presentations of members' activities undertaken during the year. Winter also sees regular trips to one of the local walls.

We have a nucleus of members in and around the Peak area, the rest being randomly scattered around the country, brought together regularly by our common love of the outdoors. Activities include climbing, walking, mountain biking, canoeing, winter mountaineering, cross country skiing, etc. We're a small club and as such are not able to "teach" climbing, though novice climbers will always find encouragement.

We have a programme of meets throughout the year anywhere from Lands End to the NW Highlands, and small local groups of members who make more casual arrangements for outings in their area (typically South Coast, Peak District, Yorkshire, North West). We've also ventured further afield with longer trips to the Alps, the Dolomites and Sardinia, and several of our members have walked and climbed in North & South America, Canada and Nepal.

We have a regular session each week at the Nottingham Climbing Centre, so if you want to find out more about us, please get in touch

Based in the Calderdale Valley but have active members from Halifax, Bradford, Huddersfield and surrounding areas. Regular weekend meets once a month and two evening meets a week.

We are a very social club with a wide range of ages and abilities in addition to the organised meets there are many unofficial meets. We try to organise at least one club climbing holiday a year with trips to Spain, Majorca, The Himalayas, The Alps planned for this year.

Although primarily a climbing club, we have broadened our scope as a multi purpose club, with members enjoying mountain biking, caving and canoeing days.
