This policy may be amended by the BMC at its absolute discretion at any time. This policy should be read together with your athlete agreement and your obligations of confidentiality that are contained therein.

INTRODUCTION

The British Mountaineering Council (BMC) is the national governing body in respect of competition climbing. Competition climbing is the sport of climbing in all its various forms and disciplines including lead, bouldering and speed, which takes place on purpose-built climbing walls (the sport).

The BMC has established a new department to manage and operate all aspects of the sport. The department will operate under the name GB Climbing. The department will be overseen by a sub-committee of the BMC Board of Directors – the Competition Climbing Performance Group (CCPG).

The following policies and procedures are for athletes, parents, carers, guardians and the BMC in order to ensure the success of GB Climbing. Any reference to 'you', 'your' or 'yourself' is to an athlete or parents/carer/guardian.

The following policies and procedures are set out in this document:

B. Breach of Code of Conduct/Complaints Against You

1. Introduction

- 1.1. The BMC wishes to ensure high standards from athletes. This policy enables the BMC to take appropriate action against you if a complaint is received about you or the Code of Conduct above is breached (together referred to as a Disciplinary Matter).
- 1.2. This policy and procedure set out how the BMC will deal with any Disciplinary Matter.
- 1.3. If the issue relates to an athlete who is under 18 or an adult at risk¹, the designated safeguarding lead must be informed at the start. Matters that might be criminal, legal/safeguarding advice must be taken and the matter referred to the statutory authorities before proceeding further.
- 1.4. Athletes under the age of 18 or classified as an adult at risk should be supported by their parents or legal guardians, who shall act on their behalf.
- 1.5. The wellbeing of the athlete during this process is paramount and they must be supported by representatives who are not involved in the process, especially during any period of suspension.

2. Purpose and Scope

- 2.1. The purpose of this policy is to ensure consistent and fair treatment of Disciplinary Matters and to encourage appropriate standards of conduct. All persons this policy applies to should have a good understanding of these procedures.
- 2.2. This policy does not confer contractual rights on individuals and will be reviewed in line with any legislative changes. The policy may be changed or amended at the BMC's discretion.
- 2.3. The BMC may at its discretion appoint external parties to conduct investigations and disciplinary hearings. This may be because of: conflicts of interest; availability of resources; complexity; or specialist knowledge of the issues. The BMC's discretion is not limited by these examples.

3. Principles

- 3.1. The principles governing the policy and its application are:
 - 3.1.1. any Disciplinary Matter will be fully investigated and no sanctions will be imposed until parties have been informed of the nature of the Disciplinary Matter and, if the

¹ A party who has needs for care and support; and is experiencing, or is at risk of, abuse or neglect; and because of those care and support needs is unable to protect themselves from either the risk of, or the experience of, abuse or neglect

Disciplinary Matter is deemed serious, given the opportunity to make representations at a disciplinary meeting.

- 3.1.2. Parties will always have the right to be accompanied by a work colleague or trade union representative of their choice at any disciplinary or appeal meeting (a companion).
- 3.1.3. Whilst the BMC will make all reasonable efforts to ensure that parties are present at any disciplinary hearing, in case of absence exceeding seven days then the BMC may hold the hearing in the party's absence, in which case the party may make written representations.
- 3.1.4. Wherever possible the BMC will use its best endeavours to keep all details relating to any disciplinary investigation or procedure confidential.
- 3.1.5. The BMC processes personal data collected during the investigation stage and any subsequent stages of disciplinary action in accordance with its Data Protection Policy. Data collected as part of the investigation and subsequent sanctions is held securely and accessed by, and disclosed to, individuals only for the purposes of completing the disciplinary procedure. Inappropriate access or disclosure of such data constitutes a data breach and should be immediately reported in accordance with the BMC's Data Protection Policy. It may also constitute a disciplinary offence, which will be dealt with under this disciplinary procedure.

4. Serious Breach of the Code of Conduct/Gross Misconduct

- 4.1. Serious breaches of the Code of Conduct will be considered on a case by case basis.
- 4.2. The following is a non-exhaustive list of examples that if reported to the BMC, the BMC will regard as being a serious Disciplinary Matter as they are normally regarded as gross misconduct:
 - 4.2.1. theft, fraud, deliberate falsification of records,
 - 4.2.2. physical violence including fighting and assault on another person,
 - 4.2.3. deliberate damage to BMC property or property belonging to any party,
 - 4.2.4. serious incapability through alcohol,
 - 4.2.5. abuse of drugs,
 - 4.2.6. refusal to undergo a medical examination at the BMC's request,
 - 4.2.7. negligence which causes significant loss, damage or injury,
 - 4.2.8. a serious act of insubordination,
 - 4.2.9. discrimination, harassment or victimization related to age; disability; gender reassignment; marriage and civil partnership; pregnancy and maternity; race; religion or belief; sex or sexual orientation,

- 4.2.10. sexual harassment or sexual misconduct,
- 4.2.11. disclosure of confidential information,
- 4.2.12. dishonest use of the BMC property or 'GB Climbing Team' name,
- 4.2.13. bringing the GB Climbing Teams and/or the BMC into disrepute,
- 4.2.14. offering a bribe with the intention of getting a third party to act improperly or to reward a third party for acting improperly, and
- 4.2.15. accepting a bribe from a third party as an inducement or reward for acting improperly.

5. Informal Procedure and Resolution

- 5.1. If the Disciplinary Matter is not deemed serious, the following informal resolution procedure will be followed:
 - 5.1.1. the Competitions Program Manager will discuss the matter with all parties involved within 3 weeks of the Disciplinary Matter being received, notes will be taken of the discussions and held on a file for a period of 12 months. The discussion with you will be to find out if there are any problems, reiterate the required standards and provide any help and support that may be needed;
 - 5.1.2. the Competitions Program Manager will then decide upon the appropriate course of action. This may take the form of seeking an improvement in your conduct/behaviour, or informal counselling, guidance and instruction;
 - 5.1.3. the Competitions Program Manager will then email all those involved with the outcome and any actions they are required to undertake.

6. Formal Procedure and Resolution

- 6.1. If there has been a serious Disciplinary Matter, or you have within the preceding 12 months been the subject of an informal Disciplinary Matter, the following procedure will be followed:
 - 6.1.1. the Head of the BMC's GB Climbing Department will investigate the Disciplinary Matter by interviewing the parties involved, and if necessary, obtaining witness statements from any witnesses within 3 weeks of the Disciplinary Matter.
 - 6.1.2. the Head of the BMC's GB Climbing Department will then call a formal meeting with you to discuss the Disciplinary Matter. You will have the right to be accompanied by a companion.
 - 6.1.3. five working days from the date of the meeting above, the Head of the BMC's GB Climbing Department will write to you setting out their findings and the action to be taken by the BMC.

- 6.2. The following are the stages of resolution/sanctions to be used for a serious Disciplinary Matter:
- 6.2.1. Stage 1: Verbal warning - if conduct has been unsatisfactory, you will normally be given a formal verbal warning. You will be informed of the reason for the warning. A note of the verbal warning will be kept on file but will be considered 'spent' for disciplinary purposes after a period of six months, unless otherwise specified.
 - 6.2.2. Stage 2: Written warning - if a serious Disciplinary Matter occurs or if there has been a failure to improve following a previous formal verbal warning, you will be given a formal written warning. The written warning will give details of the Disciplinary Matter, the improvement required from you and the period in which it must be achieved. It will also warn that a final written warning may be issued if there is no satisfactory improvement within the required period and will advise of the right to appeal. A note of the warning will be kept on file but will be considered 'spent' for disciplinary purposes after 12 months, unless otherwise specified.
 - 6.2.3. Stage 3: Final written warning - if there is insufficient improvement following a formal written warning or if the BMC deem the Disciplinary Matter is serious enough to warrant only one written warning, a final written warning may be given to you. This will give details of the Disciplinary Matter and will warn that you may lose your place with GB Climbing if there is no satisfactory improvement within a period specified in the final written warning. It will also advise of the right to appeal. A note of the warning will be kept on file but will normally be considered 'spent' for disciplinary purposes after a period of 12 months, unless otherwise specified.
 - 6.2.4. Stage 4: Loss of place in GB Climbing - if you fail to meet the standards required of you as set out in a final written warning, or if the BMC deem that the Disciplinary Matter is so serious that the preceding stages are not appropriate sanctions, you will lose your place in GB Climbing. If the BMC is considering this course of action you will be given a written statement prior to the formal disciplinary meeting, setting out the reasons for the proposed course of action. The issues will be fully discussed at the meeting and you will be informed in writing of the outcome. You will also be informed of your right to appeal.
- 6.3. It is recommended that for any serious disciplinary issues and/or disciplinary appeals, consideration should be given as to whether or not the investigation is conducted by an independent investigator, to prevent any potential conflict of interest.
- 6.4. All warning letters issued under this policy are to be approved by the BMC HR Department to ensure consistency and that appropriate records are maintained.

7. Provide the opportunity to appeal

- 7.1. You have the right to appeal against any warning, suspension or loss of place in GB Climbing within five working days. You will be informed in writing of the date of any appeal and will be entitled to bring a representative with you to the appeal hearing. The BMC may decide the matter at the hearing or adjourn the hearing for further investigation or for further consideration. You will be informed of the outcome.
- 7.2. An appeal against a formal written warning should be heard by a member of the BMC's senior management team who has not previously been involved in the case.
- 7.3. An appeal against a loss of place in GB Climbing will be referred by the BMC to an independent panel facilitated by Sport Resolutions UK.
- 7.4. An independent appeal is final and concludes the BMC's appeal procedure.

8. Suspension

- 8.1. The BMC reserves the right to suspend you from GB Climbing if you are suspected of gross misconduct and it is considered to be in the interest of you and/or the BMC to do so. Suspension in these circumstances is to:
 - 8.1.1. ensure an unhindered investigation to take place; or
 - 8.1.2. safeguard other parties in the BMC and GB Climbing
- 8.2. Suspension is not a sanction in respect of a Disciplinary Matter and will be for as short a time as possible.
- 8.3. Any decision to suspend an athlete on a UK Sport funded program must be agreed by the Sport Integrity Manager (UK Sport) before it is confirmed.
- 8.4. Any decision to suspend will be confirmed to you in writing within five working days and such written confirmation will state that the nature of the suspension is precautionary, not disciplinary, pending the outcome of the investigation and any subsequent disciplinary proceedings. Suspension will not normally affect an APA, except for Anti-Doping Regulation violations.

9. Criminal Offences

- 9.1. Where allegations are made that may be of a criminal nature the BMC will co-operate fully with any police investigations. Where these issues are related to your potential conduct whilst overseas, it should be noted that the legal jurisdiction of England and Wales does not cover overseas training events and competitions and will, therefore, be subject to the legislation and legal proceedings of the country in which the alleged offence occurred.

- 9.2. If you are charged with, or convicted of a criminal offence, the BMC will consider what effect this has on your eligibility to receive public funding or publicly funded benefits, in accordance with the relevant policies.

10. Confidentiality

- 10.1. You should only discuss Disciplinary Matters with the BMC staff involved in the process and your companion. Breaching confidentiality may result in further sanctions being applied.
- 10.2. The outcome of a Disciplinary Matter will remain confidential to the parties involved. Disclosure may be made in accordance with the BMC's legal, contractual or regulatory obligations.

11. Time limits

- 11.1. In cases where it is not practical to implement the procedure fully and expeditiously, for example in the absence of the relevant BMC staff, the Disciplinary Matter will be dealt with as closely as possible in accordance with this procedure.
- 11.2. Under normal circumstances the Disciplinary Matter process should be concluded in no more than 2 months. However, it is recognised that more complex cases could take up to 6 months. When any Disciplinary Matter process takes more than 30 working days, the BMC staff conducting the process shall provide a written update to all parties at the 30-working day point, and every 30 working days thereafter until the process is concluded.

12. Note taking and records

- 12.1. Should an investigation lead to a criminal investigation, all material obtained in the course of an investigation should be considered relevant and be made available to the police and, where applicable, to the party involved.
- 12.2. The BMC will not make an audio recording of any investigations or meetings. You are not permitted to record disciplinary interviews, meetings or hearings without prior consent from the BMC.
- 12.3. The BMC requires 'meeting notes' to be taken at all meetings to record decisions and outcomes. All interviews must have a written record, signed by the interviewer and yourself. The interview record must only contain first party evidence and not hearsay or speculation.

- 12.4. You will be sent a copy of the interview or meeting notes produced, which will constitute the BMC's record of proceedings.
- 12.5. All records detailing the nature of any sort of misconduct, your defense or mitigation, the action taken and the reasons for it, whether an appeal was lodged, its outcome and any subsequent developments, will be kept confidentially by GB Climbing. Likewise, the BMC may also keep records relating to your conduct, the implementation of corrective actions and progression of learning.
- 12.6. First party evidence is evidence that the individual saw or heard. Hearsay is evidence that the individual was told by another party or overheard.

13. British Athletes' Commission (BAC)

- 13.1. The BAC exists to provide confidential and independent advice and support to all athletes. Any athlete who is subject to the BMC's disciplinary process as set out in this document should consider contacting the BAC as follows:

Phone: 0203 126 4270

- 3.6. The BMC will determine if the whistleblowing policy applies or explain if it should be dealt with in line with other policies e.g. grievance or safeguarding.
- 3.7. If this policy applies, the BMC will investigate the matter and they will talk with you asking you to explain the concern in your own words.
- 3.8. The BMC may use the help of people outside of the BMC if appropriate (e.g. in cases where there is a suspicion of criminal activity). They will keep you informed of progress as much as possible depending on the levels of confidentiality required.
- 3.9. They will report findings to the CEO. If there is a case to answer, the CEO will take any necessary action including, if appropriate, reporting the matter to the relevant external authority. Where, because of the nature of the serious concern, it is necessary to take disciplinary action against a member of staff, this will be done in accordance with the BMC's internal disciplinary procedure.
- 3.10. The BMC will inform you of the outcome of the investigation and any actions taken as a result. This information is to be treated confidentially.

- 3.11. If there is no case to answer, the BMC will inform you, and if you have not acted maliciously and had a genuine concern, no further action will be taken.

4. Appeal

- 4.1. The BMC will address your concerns fairly, but we cannot guarantee the outcome of our investigations will be the one you want. If you are not happy with how your concern has been handled, you should contact the CEO who will review whether appropriate steps have been actioned.
