Resolution 4 – re-appointment of Hurst Accountants Limited as auditors for 2021

At last year's AGM members passed a resolution (with 99.4%) approving the appointment of Hurst Accountants Limited (Hurst), to hold office with effect from the close of last year's AGM for the three audit cycles relating to financial years 2020 to 2022, subject to annual re-appointment at the respective AGMs.

Hurst have successfully carried out their first audit of the BMC for the 2020 financial year within a challenging timeline. The Board and Finance and Audit Committee have been very satisfied with the work undertaken by Hurst and are recommending they are re-appointed for 2021.
