Resolution 8 – appointment of Diane Hopper as an Independent Director

DIANE HOPPER

Appointed on 6 January 2021 for a three year term

Di has worked in Commercial HR roles and has a career spanning 20 years working across multi-sector organisations. Aside from leading the people agenda at international blue chip and SME businesses across a range of sectors, Di's experience in driving forward communication and engagement activities in both union and non-union environments will be invaluable to the BMC – particularly with the successful implementation of the BMC Clubs Strategy.

Her experience also includes specialist turnaround and mergers/acquisitions leadership knowledge, global talent acquisition, global professional services and HR SSC leadership and implementation. And experience in leadership talent and performance design and delivery aligned to business transformation, programme management through periods of growth and right-sizing, and end to end process and policy design including CI through the introduction of global SAAS technology.

Di has been a runner for the last 20 years, and during that time ran for the County in regional and national cross-country events. In addition to this in her spare time has walked the peaks and regularly visits the Peak District for walks with her young children. Her desire for improved and continued grassroots outdoor pursuits is very important to her particularly since having young boys who love the outdoors.
